

The Singers Elite Vocal Big Band

An exciting new concept in big band jazz, The Singers Elite Vocal Big Band is getting rave reviews from all over the musical world. Performing the classic arrangements from the big band era, the horns and strings have been replaced by some of Los Angeles' finest singers. It's a vocal take on tunes like *April In Paris*, *In The Mood*, *Opus One*, *Tuxedo Junction*, *Sing, Sing, Sing*, *Moonlight Serenade*, *On The Sunny Side Of The Street*, *Serenade In Blue*, *Mood Indigo*, *Chattanooga Choo Choo*, *Skyliner*, *I'll Never Smile Again*, and so on. Anchored by one of the hottest rhythm sections in the business, the Singers Elite Vocal Big Band sets fire to the classics in a way rarely, if ever, heard on the live stage.
